NCYC Quotes from past conferences.

"The closing Liturgy was phenomenal. It was great seeing over 100 Bishops, Priests and Deacons concelebrating together."

"The Keynote speaker, Fr. Tony, was hysterical; he taught us the hip version of the creation story."

"I learned a lot about how many people have a connection with God. It surprised me to actually see over 20,000 Catholic high school students and what that was like to all gather together."
